John & Pam at GSP Banquet

John & Pam at Specialty 2007

John and Pam joined the GSPCO in the Fall of 1989. John held many positions during his many years in the club: President, Treasurer, Board Member, Hunt Test Judge and Friend. He and Pam were devoted to the GSPCO Rescue program. John and Pam started the donor advised fund, Canine Health Foundation, for German Shorthaired Pointers with a \$100 donation from the GSP of Ohio. Our club was the first to do anything for shorthairs with the Canine Health Foundation, which has since been taken over by the National club. John supported Pam in their many rescue efforts and they were on the go all hours of the day or night to rescue a shorthair and find a foster home for them. At times they had 7 shorthairs and 4 cats in the house. John was always there to give a helping hand at the specialty shows, hunt tests, field trials, versatility days and other events for the club. He was always there for everyone and he was a friend to all. John played a major role in the success of our club. We will all miss John and his dedication to our club and to the well being of our GSP's. Our deepest regards to Pam from everyone in the club.

To all my friends:

My deepest thanks to all of you for all of your support and prayers, calls, wishes, cards, and gifts. I appreciate all of your kind words and great memories of John. Your generosity and good wishes are appreciated. Thanks so much.
