## President's Message

Well the year is coming to an end and once again this club has had another great year, not only in successful events, but again in growth. I would personally like to thank every member for all the support and help whether it was at a hunt test or just coming to our membership meeting; everything adds up and that is why we are a successful group. This past fall we held our walking field trial and our horseback field trial, and our fall hunt test was held at a new location, and it was the biggest hunt test that we have had as far back as I can remember. A special thank you goes out to Jen Sheehan, Art Terstage, Mark Hill, and George Epling for heading up these events and making them the success they were. Also thank you to everyone from our club who has lended a hand – without all of you there wouldn't be events like these.... so THANK YOU. Our November meeting has our annual nominations and elections and we will have it once again at Mavis Winkles in Twinsburg. We are hoping that they can turn down the music in the meeting area and we will be able to hear everyone a little better. Our awards banquet will be in February again, and if you have not been to one or if you have not been to one in the last 5 years, I urge you to come and spend the evening with some of the best dog people in the country! Eileen Smith and her crew will not let you down, I guarantee that. Our third annual Sportsman of the Year will be awarded that night, so if there is someone in this club that you feel strongly about, please send in your nomination. In closing, I would like to wish everyone a safe and pleasant holiday and a successful New Year, and once again, thank you for all your support towards this club.

Your President Mark

# FALL HUNT TEST

By Cindi Chilbert and George Epling

We stuck our necks out. We took a chance. When all was said and done this was the biggest single hunting test weekend I have seen since the late 80's when Hunting Tests started. Some of you remember those days. We would have a test weekend with 10 or 15 braces of Juniors, 1 brace of Senior and 1 brace of Master! We would have trouble finding a bye dog for the Master level and we would have to use the Senior dog after he got a rest. We used one field and we always started with Master. Those were the years when everyone was trying to have the youngest Junior Hunter, then the youngest Senior Hunter and finally the youngest Master Hunter. Those were the years when we had to have horseback Marshalls for the gallery because everyone wanted to walk along and see what it was all about. Now there is no gallery and the only Marshall brings the score sheets back from the judges to the secretary and lines up the next brace. People watch the bird work from a viewing deck. Yes, things change and sometimes people don't embrace change very well, but on the weekend of October 23<sup>rd</sup> and 24<sup>th</sup>, change was embraced whole heartedly and we held one of the biggest single hunting test weekends I have seen in over 5 maybe 10 years, with wow, 60 entries. It was a great success!

We were nervous going to new grounds in a new area if for no reason other than it is a bit difficult to find, but with so many tests being held in the same area up here and with dwindling entries George and I decided to take a chance and see if we could pull in entries from a wider area, a different area, maybe increase our revenues and it worked. The roads to Monigold's turn and twist and aren't marked very well but George did everything he could to help people find their way. He even made his own hunting test directional signs to place at key turns and he was on the phone constantly talking people in. Once you have been there it's a piece of cake and after everyone arrived on Saturday morning things got underway. The weather cooperated and it was a beautiful weekend. Not too hot, a nice breeze, clean bird field and plenty of birds.

We had 3 junior handlers entered on Saturday and Sunday each. On Saturday Katie Hajek handled Lola, (a French Brittany) on her first leg of Junior and qualified. Summer Wilde handled George Epling's Big Joe (a GSP) Saturday & Sunday in junior, receiving qualifying scores both days and finishing a title. Colin Epling handled Tess in Junior both days receiving his 3<sup>rd</sup> and 4<sup>th</sup> passing scores in Junior. On Sunday Alana Curtis handled Sammy (a Vizsla) in her first senior test and received a qualifying score as well. Nice job ladies and gentleman! The weather was beautiful and the layout of the grounds allowed us to have the junior bird field right below the barn and viewing platform. This made it very easy to watch each junior brace work in the bird field. Monigolds prepared good food, supplied good flying birds and lots of help. Thank you for welcoming us to your grounds. The weather was great, but we would have had good cover even if it had rained with the heated-barn viewing area, the viewing platform and a tent cover as well.

We would like to thank our judges Randy Hall, Wendy Macintosh, Mike Chilbert and Helen Riggle. Helen and Brian Riggle also served as our wranglers as well as spending extra time at the end of the day letting the kids ride and interact with their horses. All of the judges complimented our club for putting on a smooth and efficient test. Problems and issues were handled quickly and professionally and everything just kept on rolling.

On Saturday we had 9 Junior braces with 16 entrants receiving qualifying scores. Melissa Campbell handled her 6 month old GSP "Paprika" in her first test receiving 9's and 10's in the 4 categories juniors are judged on. We had 5 Master dogs entered and all 5 passed. We had 6 Senior dogs entered and 3 passed.

On Sunday we had 13 Junior entries with 12 passing. We again had 5 Master entries however only 3 qualified. There were 12 Senior entries with 8 qualifiers.

The Master and Senior course was just down the road and on the other side from the Junior fields. The lay of the land did not allow viewing of that bird field without a little walk downhill but folks were comfortable just the same. Everything went well thanks to our bird planters John Costanzo and gunners Joe Phillips, Mark DiRienzo and special guest Josh "Tackleberry" Wilde.

There was another important part of this gathering that helped make it a success and it was our raffle. For our \$5 raffle which we pulled on Sunday, Dru Therrian donated one of her original acrylic paintings featuring GSP's a field (everyone wanted it), Cindi and Michael Chilbert donated two baskets of dog related items as well as a stained glass dog head and Ray Kelly with Bil Jac donated a basket as well. Many other generous folks donated to our \$1 raffle which we pulled on Saturday, George and Debbie Epling, Mark DiRienzo, Melissa Wilde, Purina and Uplanders Warehouse just to name a few. The raffle generated almost \$400 of income. We can't thank everyone enough who donates to the raffle but we have to thank those who buy tickets as well. Without their support buying tickets this would not have been a success. Please excuse us if we have missed naming anyone who contributed either with prizes or by donating their time and talents putting on the tests. Thanks for everyone's help in making our Fall 2010 Hunting Tests a huge success!!

## **GSP Care of Ohio Inc - RESCUE**

We currently have too many dogs and not enough places to put them. We need foster homes that can take a dog into their home and teach it manners, housebreak them, fatten them up, expose them to cats and kids and older folks so they can become good family members.

We have a young girl on the website right now named Daisy Mae. She lived with her Master and Mistress but was primarily her Master's companion. He took her every where. Walks on the beach, walks in the woods. In the boat fishing. She loved to sit there and was his constant companion. Then one day it all ended because her Master died unexpectedly. Her mistress is limited because she has a respiratory problem and this young girl loves the outdoors. She will be happiest if she could find a retired gentleman to share her life with. She has been jumping the fence and running the old path looking for her Master. She just does not understand what happened. She is young but settled, comes when called. Lives to please. Spread the word, do you know anyone who could give this great girl a home. She is only 1 1/2 years old, spayed, up to date. She can be seen on the Rescue web site. ## **GERMAN SHORTHAIRED POINTER CLUB OF OHIO FALL WALKING TRIAL**

The German Shorthaired Pointer Club of Ohio held its Fall Walking Trial at the Pennsylvania Brittany Club Grounds, in Polk, PA, on September 4 & 5, 2010. We had another fun, successful trial, and enjoyed beautiful weather for the Labor Day Weekend. We had 62 entries, and enjoyed watching some great dogs doing what they do best. The grounds provide great lines for the dogs to run, and most dogs had multiple finds that allowed us to appreciate some fine bird work. Thank you to our field trial chairman, Mark Hill, for running a great trial.

Thank you to our field trial committee: Dennis Meinke, Art & Carrie Jones, and Rich & Mary Beidelschies. They helped to get dogs to the line, plant birds, and kept things moving along.

Thanks to Mark DiRienzo, and Mary Beidelschies for running the kitchen. They kept us well fed for the weekend. We had a BBQ rib dinner on Saturday night, featuring Mark's homemade BBQ sauce. The food was fantastic! Also thanks to those members who donated food for our meals and Happy Hour.

Thanks to our judges for doing an incredible job. They kept things moving along, while giving each dog and handler careful consideration. Our judges were: Charlie Brown, Joe Bunk, Curtis Fry, Robert Reynolds, Jim Wallace, and Chris Young. We appreciate all of your time and hard work. We wouldn't have had such a fun, successful trial without your support.

Thank you to everyone who attended and participated in our event. Congratulations to those handlers who put Field Champion /Amateur Field Champion titles on their dogs.

Thank you to Pat Lamantia and Nestle Purina for their continued support and for donating Purina dog food and hats to our winners. Congratulations to member, Mark Hill. His dogs won 6 out of the 8 stakes over the weekend!

## GSPCO Fall Horseback Trial: Tri-Valley Wildlife Area Dresden, Ohio October 10 & 11, 2010

The German Shorthaired Pointer Club of Ohio held its Fall Horseback Trial at the Tri – Valley Wildlife Area, in Dresden, Ohio on October 10 & 11, 2010. We had a fun, successful trial, and enjoyed unseasonably warm temperatures for the entire weekend. We had 79 entries, and enjoyed running on the state grounds for the first time. The dogs had to work hard to muscle through some thick cover, and the warm temperatures did not make it easy on them. The dogs definitely earned their placements this weekend. Thank you to our field trial chairman, Art Terstage, for running a great trial.

Thank you to our field trial committee: Charlie & Laurie Brown, Art Jones, Mary Beidelschies and Jennifer Sheehan. They helped to get dogs to the line, planted birds, ran the dog wagon and kept things moving along.

Thanks to Mark DiRienzo, and Mary Beidelschies for running the kitchen. They kept us well fed for the weekend. We enjoyed a BBQ dinner catered by the Depot on Sunday night. Thank you to those members who donated food for our meals.

Special thanks go to Charlie & Laurie Brown, Scott & Anne Weslow, Mike & Cindi Chilbert, Russ Roth and Brial Smith. It is because of their hard work that this trial ran as smoothly as it did. They truly have a love and dedication to the sport.

Thanks to our judges for doing an incredible job. They kept things moving along, while giving each dog and handler careful consideration. Our judges were: Dan DiMambro, Hank Lewis, Cliff Mesnard, Fred Ryan, Bill Van De Weerd and Bob Wilson. We appreciate all of your time and hard work. We wouldn't have had such a fun, successful trial without your support.

Thank you to pros Chris Goegan, from Ohio, and Jamie Fountain, from Georgia for traveling to support our trial.

Thank you to everyone who attended and participated in our event. Congratulations to those handlers who put Field Champion /Amateur Field Champion titles on their dogs.

Thank you to Pat Lamantia and Nestle Purina for their continued support and for donating Purina dog food and hats to our winners. Submitted by: Jennifer Sheehan, GSPCO Field Trial Secretary

**Christmas Safety Tips**

- Holly, mistletoe and poinsettia plants are poisonous to dogs. Make sure they are kept in places your dog cannot reach.
- Watch out for electrical cords. Pets often try to chew them and get badly shocked or electrocuted. Place them out of reach.
- Avoid glass ornaments, which break easily and may cut a dog's feet or mouth.
- Do not use edible ornaments, or cranberry or popcorn strings. Your dog may knock the tree over in an attempt to reach them.
- Keep other ornaments off the lower branches; if your dog chews or eats an ornament, he can be made sick by the materials or paint.
- Tinsel can be dangerous for dogs. It may obstruct circulation and, if swallowed, block the intestines.
- Keep burning candles on high tables or mantels, out of the way of your dog's wagging tail.
- Review canine holiday gifts for safety. Small plastic toys or bones may pose choking hazards.
- Your dog may want to investigate wrapped packages; keep them out of reach.

## N.G.S.P.C.A. OF OHIO CLASSIC

The N.G.S.P.A of Ohio held its 2010 Ohio Classic at The Mingo Sportsman's Club on September 21 and 22. This was a dual sanctioned trial with the GSPCO. These excellent grounds provide a venue that allows big running dogs to be appreciated. With the diminishing number of grounds available for trialing in Ohio, we are fortunate to be able to use these grounds.

The trial ran smoothly with the help of the trial committee. Thanks to Jen Sheehan, Chris Young, Geoff Marlow, Dennis Meinke, Hank Lewis, Stacy Benno and Chris Goegan, and the members of the Mingo Club that helped with the trial.

A special thanks goes to our judges, Denny Keeton, Chris Streitenberger, Hank Lewis, and Jim Wallace. They rode hard and gave all of the dogs their full attention.

The weather was unseasonably warm for September, but after this summer, it wasn't unexpected. The heat and humidity did create some difficult scenting conditions during the hot afternoons.

The open shooting dog was won by High Point's Express, owned by Dr. Al Stocks of Augusta, Georgia and handled by Chris Goegan. Snap continues her winning ways since winning the 2008 N.G.S.P.A. Futurity.

Several other dogs had great races, but went birdless due to the conditions.

The Amateur Shooting Dog had several scratches, due to a variety of reasons, and the judges were unable to name a winner from those that competed.

The Ohio Derby Classic concluded our trial. The judges enjoyed a talented field of quality entries that exhibited outstanding potential. "Hills Hard Hitting I'm A Brat", owned by Mark Hill of Rochester Pennsylvania, was the winner. Brat had a strong forward race. Putting on a strong challenge was the runner up "Monica's Bye Bye Rachael". Rachael is owned by Jerry Albanese of Neshanic Station, New Jersey. The third place went to another promising youngster "Write Me A Prescription". Doc is owned by Rick Beidelschies of Canfield, Ohio.

A special thanks goes to Nestle-Purina and Pat Lamantia who hosted our trial dinner on Tuesday night. Their support of our field trial is always greatly appreciated.
