## PRESIDENT'S MESSAGE

Mark DiRenzo

Enjoying the weather? This spring has made for some tough training and events, but once again our club has pulled off our horseback trial and hunt test. Many thanks go out to Chris Young and Jenn Sheehan for the horseback trial and George Epling and Cindi Chilbert for the hunt test and all the other members who pitched in to help at these events. Events like these cannot be successful without the help of our members and I thank you for that. The year is underway and there are many more happenings with our club. Our specialty show is once again in July and help is needed with setup, raffle items, help at the show and tear down. If you are able to help, please contact Cindi Chilbert for details. Also our rescue is always in need of foster homes and general help. If you have room and time to take in a foster until a home is found, please contact Pam Kennedy for details. Our annual training day and club picnic is going to be held at Crooked Creek Hunt Club and it is also open to the public so come spend the day with your dogs and as always it is a good time and great food. There are many ways to get involved with our club, all you have to do is come to our meetings or phone a chairperson and ask. In my opinion, this is one of the best, if not the best clubs in the nation and it is because of the members.

On another note, we will be holding our annual elections in November and as always the floor is open to nominations for all board and officer positions. This year my term is up and I will not be accepting the nomination for a position. I have had a great time as president of this club and will never forget any of it, but I feel it is time to turn over the reigns to someone else to keep things going in the forward direction we have been moving. Along with work, I also have a business that has grown into another full time job and I don't feel that I can devote the time needed as president, or board member. I will always be an active member of this club and I hope there is someone out there that will be interested in running this fantastic club. With the great members we have, it has been a joy and honor. I will remain as president until the end of the year and help out as much as possible, but I feel the need to pass the torch.

**Your President Mark**

## HUNT TEST

MAY 1-2, 2011

### GSPCO 2011 Spring Hunting Test by Cindi Chilbert

We returned to Monigold's Hunting Preserve for our Spring Test this year. It was such a nice venue we just had to go it again. The weather was great on Saturday, warm and the sun was shining. Everything ran smoothly, we wouldn't have changed a thing. Then Sunday came, and it rained. What a surprise!

We had a smaller test than last fall with 37 entries for the weekend. Certainly possible that the price of gas is affecting entries. Several of those attending the test came quite a distance and they told us they were having trouble finding tests to enter because some clubs were canceling due to lower entries. We had folks attend from Maryland and North Carolina.

We would like to thank all the club members who helped us put on this event, Brian Smith, Russ Roth, John Costanzo and Joe Phillips all took a turn at gunning and bird planting and Joe and Russ ran dogs as well. Mike Chilbert was the line Marshall for Senior and Master, (he also ran a dog) and Josh Wilde was line Marshall for junior and ran the score sheets in to the club house for all levels. Jenna Epling and her friend Mikahla set up the raffle, sold all the tickets and pulled the tickets as well. The raffle took in over \$300. With the expenses for a hunting test rising (just like everything else), it seems the raffle always helps keep us in the black for the weekend. We want to thank everyone who donated items to the raffle, club members and exhibitors. Melissa donated another case of those amazing dog treats. Everyone wanted them! We are very grateful and we will donate as much as we can to Rescue. We want to thank our judges, Kitty Pullen ( who brought her own horse) and Tracy Novoa. We especially want to thank our other 2 judges, Doc Reynolds, and Dennis Meinke our club members. They brought their own horses and Doc even brought a horse for another judge.

George and I work very hard to put on a great test, but the test would never happen without the help of all those people I just named. I apologize if I have forgotten to thank anyone. We appreciate everyone's help but I have to send out a very special thank you to two people.

First, John Costanzo has been coming to and helping at every test since I became the HT secretary in the Spring of 2008. He is always there. he comes from the other side of the state. He always bring a well trained dog to use as a bye dog and we can always count on him.

That kind of dependability is rare and I just want John to know we appreciate him very much.

I have another special thank you. I want to thank Dennis Meinke for judging, bringing his horse, entering his dogs and helping whenever he can. Every part of running a hunting test is hard work, but judging a test is some of the hardest work and not everyone is happy with you at the end of the day. Well, we are happy with you Dennis. We appreciate your generous support of our tests.

See you in the Fall.
