

## BUCKEYE GSP CLUB – October 7-8, 2017 FIELD TRIAL

The venue will be Tri-Valley field trial grounds consisting of 2523 acres of reclaimed land. Tri-Valley Wildlife Management Area is located ten miles north of Zanesville between the towns of Adamsville and Dresden. The facilities are now complete with electricity and water, although there are **no electrical hookups**. If you haven't been there before you'll enjoy the view. The view of the grounds from the clubhouse is truly spectacular. We will be providing food in the clubhouse and nominal donation will be requested and there will be a steak dinner on Saturday. Double M Gaited Horses will be the wrangler for the event if horse rental is needed - contact Meredith Mays for more information (724-712-1795). Your patronage and participation will insure success and many more years of field trialing in Ohio. To that end we ask all participants to clean up the area that they utilize. The Gates will be open 4:00 PM Friday, October 6, 2017. No dogs or horses can utilize the kennels or corrals until the gates are open. If you have any questions please call Art Terstage (216-406-2553) or Scott Weslow (440-315-3872).
