President – Dennis Meinke

Hello everyone,

Well, it has been a hell of a year with all the COVID restrictions and the Presidential election but none the less the club as a whole has fared well. We had to cancel a few early events but ended the year strong. In fact, membership is at a record high and our finances are in good shape.

Our Dual Hunt Tests have been our greatest success this year bringing in huge entries and many new members. We have established a great reputation of having one of the best Hunt Tests around with folks asking to Judge and help just to be a part of it. An incredibly special thanks to our Secretary Sherry and her committee who have worked so hard on these events. They were one well-coordinated team that got a tough job done.

Again, due to COVID our Annual Picnic had to be moved to the Meinke Lakehouse but that proved to be successful despite a rainy day. Good turnout, food, and fun.

Our fall events went off as scheduled with Hunt Test, Walking Trial and Horseback Trail all going well. Special thanks to our Event Secretaries and Chairman and all who helped run these events. I was happy to see the return of the Walking Field Trial as this offers an opportunity for new and experienced members to be involved in Field events without the need and expense of a horse.

Unfortunately, we had to cancel the Winter Banquet, again due to COVID. We will still be sending out awards to those members whose dogs earned new AKC titles in 2020. Those who received awards will be included in our next newsletter.

We now have club shirts, hats, and sweatshirts, these will be displayed and sold at club events.

I look forward to seeing you at next year's events. We will be asking and needing your support for all events so PLEASE mark your calendars and do what you can.

GSPCO Fall Dual Hunt Test News and Pictures – Oct 10th – 11th

Submitted by: Sherry Meinke

We had beautiful fall weather for our Hunt Test. Our entries came from all over Pennsylvania and Ohio as well as New York and Virginia and the Carolina's. With the GSPCO Hunt Test Committee and great judges we were able to run 183 dogs in the two day event.

We had one dog finish Master Hunter, several dogs finished their Senior Hunter, and a lot of Juniors finished in the two days. The Master dog, Felda, owned by Mark Hessler. One of the Junior Dogs to finish was handled by Jason Dye, a Junior Handler, who's dog received all 8 in all four of the runs.

A very interesting happening was we are receiving many more Senior and Master entries, this was never the case in the past.

The Swamp Callie Acres is a beautiful privately owned property that is groomed to well accommodate all our needs for a very successful Dual Hunt Test.

The food was delicious and had the flavors of fall. We held a very successful raffle as well.

The profit to the GSPCO was \$2,215.64.
