Hello everyone,

Summer has officially arrived, and most dog events are on hold till cooler weather returns. We can look back at another busy spring. Much has happened, another very successful Dual Hunt Test, Ohio Championship and Horseback Field Trial. We will again have our summer picnic/training day and another AKC Water Test June 17th. I want to thank all who have helped plan and run these events.

Our Spring Dual Hunt Tests were a great success for our club again this year. Our club has a great reputation for having the best Hunt Tests around. Thanks to our incredible Secretary Sherry and her committee of many members who have worked so hard putting on these tests.

Due to our normal bird suppliers not having Quail available this Spring we had birds brought up from the South. Unfortunately, those birds did not survive, so a big loss to the club. To make up for that loss we decided to hold a special raffle. I am pleased to say it has gone very well thanks to members selling and/or buying tickets. Thank you all!

Our Ohio Championship Trial and Spring Horseback trail at the Tri-Valley grounds were another success both in entries and finances. Thanks to Chairman Robert Reynolds and Secretary Jen Goodall and all who helped run this event.

Unfortunately, we had to cancel the Spring Walking Field Trial due to low entries, not sure why they were so low other than many other things going on at the same time. We will try again this fall and we will use the Beaver Valley Pointer Setter club grounds in Rochester, PA. This is an important event as it serves as a good step between Hunt Tests and Horseback Field Trials as well as allowing members to earn points toward Field Trial titles.

Our Annual Picnic will be held at the Meineke's Lakehouse. We expect a great turnout, good food, and fun. Special thanks to Chuck Meadors offering to cook meats and for all who will be providing side dishes. Thanks also to Sherry Meinke for coordinating our the AKC Water Test. Last year all who ran or watched the Water Test enjoyed it.

The GSPCO Specialty Show will be held August 4-6th this year at the Canfield Cluster in Canfield, Ohio. We will have a hospitality tent and raffle set up on August 6th, both draw a lot of attention. Thanks go to Melissa Campbell for coordinating this event.

The Winter Banquet will be held this year on January 6, 2024. We will have a fine dinner and members whose dogs earned new AKC titles in 2023 will receive awards. Music and dancing following dinner.

We have club shirts, hats, and sweatshirts, these will be displayed and sold at club events.

I look forward to seeing you at future events. We will be asking and needing your support for all events so PLEASE mark your calendars and do what you can.

KYLE'S HIGHTAILING LUKE

Kyle's Hightailing Luke, a German. Shorthaired Pointer male, was whelped on February 13, 2001, in a litter bred by Stephanie Devine. He was sired by Hall of Fame KJ's Hightailing Saddle and bred to Stephanie's All-Age bitch Devine's Tasmanian She Devil, who was a daughter of Heide's Mighty City Slicker and Chicoree's Cherry Cola.

Luke was acquired at an early age by Hank Lewis. Luke showed early promise and capped off his derby career by winning the 2002 NGSPA Pheasant Derby Classic.

Robert Reynolds, DVM, purchased Luke in the Spring of 2003. Luke finished his AKC Field Championship in September 2003 at the Michigan field trial by winning the Open Limited Gun Dog stake against an impressive field.

Luke, who had a host of field trial wins, was the first dog to win the NGSPA All-Age Pheasant Championship three times only to be equaled by his son, Kane, as a three time winner. An unfortunate kennel accident claimed Luke's life when he was reaching the height of his competitive career at 6 years of age.

Even with limited production due to his early death, Luke produced eleven AKC Field Trial Champions, seven Amateur Field Trial Champions, and three GSPCA Futurity placements. In American Field competition, he produced twelve winners with 152 placements.

These include nine championships including a NGSPA All-Age Champion and two National German Pointing Dog Association All-Age Championships. Luke's ability to pass on his Natural abilities through his get is evidenced by his grandson, Hi-N's Feed Jake, the 2015 National All-Age Champion.

Luke has truly had a positive genetic impact upon the breed and deserves recognition in the German Shorthaired Pointer Field Trial Hall of Fame.
