Hello everyone,

As this new year begins, I am looking back at a successful and rewarding 2023. Spring events were very successful, except for the Walking trial, cancelled due to low entries. We had a wonderful summer Picnic and Water test with a great meal. The Specialty Show had a great turnout and a large profit. Our Fall Dual Hunt Tests and the Fall Horseback Field Trial were also quite successful. All this followed by our annual banquet. I want to thank all who have helped plan and run these events. One concern I have for 2024 is the economy, it seems to have impacted our entries in all our events and has driven expenses up considerably, and I am a little worried about the coming year,

Our Fall Dual Hunt Tests were a success for our club again this year. Our club has a great reputation for having the best Hunt Tests around. Thanks to our incredible Secretary Sherry and her committee of many members who have worked so hard putting on these tests.

The Fall Horseback Trial at the Brittany Club grounds in Polk, PA was another success both in terms of entries and finances. This three-day event was well run and enjoyable. Thanks to Chairman Robert Reynolds and Secretary Jen Goodall and all who helped run this event.

Unfortunately, we had trouble getting our Walking Field Trials going again due to low entries in the spring, we wanted to try again in the fall but found too many conflicts with our clubs. I believe these Walking Trials are an important event as they serve as a good step between new dog people, Hunt Tests and Horseback Field Trials as well as allowing members to earn points toward Field Trial titles.

Our Annual Picnic was held at Meinke's Lakehouse and had a great turnout, good food and fun. Special thanks to Chuck Meadors for cooking meat and to all who provided side dishes. Thanks also to Sherry Meinke for coordinating things as well as the AKC Water Test. All who participated or just watched the Water Tests, thoroughly enjoyed it.

The GSPCO Specialty show held August 4-6th, at the Canfield Cluster in Canfield, Ohio was another successful club event. We had a hospitality tent and raffle set up on August 6th, both drew a lot of attention, and the raffle made a nice profit. Thanks go to Melissa Campbell and Melissa Wilde for coordinating this event.

The Winter Banquet was held on January 6, 2024. We had a fine dinner and members whose dogs earned new AKC titles in 2023 received awards. Music and dancing followed dinner. Another nice social get together. Special thanks to Sherry Meinke for coordinating and organizing the event and to Anne Weslow for the Banquet Programs.

Our club held two special Raffles this year to recover funds lost due to birds dying in the Spring. Thanks to the support of our club members both raffles were very successful and more than made up for the loss of fund.

A final note, please consider attending future events even if you are not participating in those events. It takes a lot of work to put on these events both before and after the event is over, clean up and/or loading the club trailer. If you can only attend one day or part of a day, your help is needed and appreciated. I look forward to seeing you at future events.
